

# Marathon for Prostate Cancer

Pearl Hyde Community Primary School have challenged some year 6 boys to run a marathon during January and February for Prostate Cancer. Mr Wale will join 5 chosen children to run the 26.2 miles before February half term.

We will be raising money and donating some of the money raised to Prostate Cancer UK and the other raised money will be for our Outdoor Learning equipment and facilities. We are splitting our 26.2 miles into 13 two-miles run. The runs will happen in school, recorded and evidenced by our runners however the last 2.2 miles will take place on Dorchester Way in our community.

Will you be able to help us out and sponsor our runners?

Our runners are:

Mr Wale, Blake, Daiwik, Mr Jardim

Joe, Jude, Kaiden

<https://www.justgiving.com/crowdfunding/pearlhydemarathon>

Sponsor money or donations are welcome at our office on Dorchester way or on our just giving page and any amount is appreciated. All money will go into one pot so it is easier to keep track of. Thank you for your everlasting support and we hope you see us out in the public on our final run!

We are also doing a sports raffle in this time which including sports equipment, Coventry city tickets and a Coventry city shirt! Any extra sport donations are welcome and will also be part of our raffle.
